European Application No. 89 307360.1

Dear Eric:

Enclosed is a copy of the claims for the European application, and explanatory letter from Dr. Davis of Reddie & Grose.

Please review these carefully. I have read through the claims and they appear satisfactory, but I would like your comments. If you have any questions, please call Dr. Davis directly to discuss, otherwise send instructions to proceed with filing the revision and paying the examination fee.

One other request, I would appreciate your sending me a copy of the EPO Search Report and references for our files.

Very truly yours,

Beverly
